

## System Administration

To allow your computer to communicate with the Configura License Server and MyConfigura, make sure that the following settings are used in your firewall or proxy:

### *Network Access Requirements for the Configura License Server*

Host: license.configura.com

IP numbers: 83.140.2.70

Ports: TCP/80 (HTTP)

TCP/443 (HTTPS)

### *Network Access Requirements for MyConfigura*

Host: my.configura.com

IP numbers: 83.140.2.70

Ports: TCP/80 (HTTP)

TCP/443 (HTTPS)
